Dear Miss Williamson,

Enclosed is my mailing list for the C & N Section. This list represents those I would mail too, if I were doing it myself. I expect that you and/or the National Office has a list of who are to receive all "Bulletins," and there will be some duplication with this list.

Instead of sending all Bulletins to everyone, perhaps a card index system could be set up. You could have one list of those who receive all Bulletins, and separate files of those not on the first list, but who receive Bulletins from only one or a few sections.

Best regards, and good observing,

Jim Low
