Dear Jim:

The enclosed letter from Mr. W. O. Jenkins, a fairly new member, reached me a few days ago and I thought you might be interested in writing to him as he appears to have taken a picture or two of the new Comet Ikeya-Seki.

You had gone home last Saturday night before I had a chance to hand the letter to you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ella", written in dark ink.
