Dear Mr. Milon,

Thank-you for your card of August 18. Enclosed are a couple of slides of myself --- one quite old. I regret that I do not have a good selection of slides. I just have never been able to learn how to operate a camera properly. I am lucky if two or three pictures turn out on a 36 slide film!

I wonder if you will receive these in time for the ALPO Convention --- it's next weekend (Aug. 26) I believe.

Best wishes, and good observing,

Jim Low
