BAIE D'URFÉ, P.Q.

Sept. 5/66.

Dear Mr. Low:

I wish to report an additional observation  
of Comet Kilston:

Sept. 3/4    21h 46m EST    02h 46m UT    Mag. 10.6?

R.A. 18h 06m  
Dec. =11 50\*

Seen through the brilliant aurora of this  
night.

Would you be able to inform me as to how I  
might receive the I.A.U. bulletins on these comets.

Yours truly,

*G. L. Fortier*
