Double dates are listed to prevent errors that are sometimes made because of the change at midnight. Please use the 24-hour system (i.e., 8:00 p.m. should be shown as 20:00). An observation made at 01:00 on the 13th would be entered on the line for the 12/13. This form is for negative reports only. If you note anything unusual in your area, follow the instructions on C & N Form #3. At the end of the month, please give this report to the Chairman of your Centre's C & N Section for forwarding to the National Co-ordinator.

Please use one form for each area each month, as this will help the Co-ordinator with filing.
