My dear Sir,

Your letter of
January 12 announcing my election
as an Honorary Member of
the Astronomical and Physical
Society of Toronto is duly
received. Please convey to the
Society my sincere thanks for
this honor.

In answer to your question
my full name is Edward
Charles Pickering. My own
preference would be for the
omission of all letters after
my name, but if you wish to
add any, I presume that (E. C. P.)
