Cor. Secy Astronomical and Physical Society
of Toronto, Canada.

Dear Sir,

Thank you for your very
kind letter of Dec. 26; it has only
just reached me by way of Chicago.

Please convey to the Society
my thanks for its offer to elect
me a corresponding Member. I highly
appreciate the honor thus shown
me, and shall take pleasure
in accepting the relationship in
case the election is made.

Regretting my inability to reply
earlier, I am

Very respectfully yours
