

68 Redcliffe Square  
London S.W.  
April 1, 1894.

Dear Mr Lumsden,  
Pray accept my best  
thanks for the extremely liberal  
supply of copies of my little

paper on "The Distances of the  
Nebulae" which you have been  
kind enough to send me. With  
sincere acknowledgments, believe  
me to be,  
faithfully yours,  
Agnes M. Clerk

1887
