

## WE ROLL OUT RED CARPETS IN EDMONTON

If you are attending the Royal Astronomical Society convention in Edmonton next May, may we have the privilege of serving you?

The Macdonald Hotel takes pride in its Western cuisine, its varied treatment of guest rooms and suites, its commanding location on the high banks of the Saskatchewan River in the heart of bustling Edmonton.

If you are driving (and the Canadian Rockies are close by) there is free overnight parking for your automobile. If you arrive by train the Canadian National Railways station is only four blocks distant.

I will be glad to send you a descriptive folder and rate schedule, or other information if you wish.

Sincerely,

H. K. PICKERING,  
Sales Manager (Western),  
Canadian National Hotels Ltd.,  
The Macdonald Hotel,  
Edmonton, Alberta.
