False Renewal Notices

It has come to our attention that “final renewal notices” went out today by mistake. At this point in January, we would normally be sending out final renewal notices to everyone whose membership expired in November, 2020. Unfortunately, iMIS sent these out for everyone whose membership would be due in November 2021. In other words, most members.

We sincerely apologize for this clerical error. As you all know, we are in the process of replacing our badly aging membership database. We can assure you that shortly, such errors will not be possible.

Sincerely,

RASC Staff
