Dennis painted the entire
downstairs hall and living room.
I left them at it when I went
to church. Had a lovely lunch
of soup and toasted bacon and
tomato sandwiches. Kathleen and
I left the dishes and all the
straightening up to Don Lorne
and Nancy. Dennis was towing
his sailboat behind the truck.
Hope they got home all right!

The long day in Brautford
was not long. It seemed to
go quickly. We got away
before 10.00 and rehearsed till
1.30 with a coffee break.
Lunch was served at the
theatre. Lots of good sandwiches
cakes and coffee. Played for
the primary school children from
3.00 till 4.00. A short walk on the
chilly streets window shopping. Dinner
at the Taps. The concert in the evening
was very enjoyable. I love the
Schumann B^b symphony!

Hot and humid. Arthur helping Jack brought the twins (Karen and Kathleen) a la dear old Alphas) who after they had eaten a little breakfast went to the shop to work for Ev. It was cloudy so I couldn't see Venus and the moon. Maybe tomorrow will be clear enough to see Jupiter and the moon.

Hot and sticky. Some of our corn was half down after yesterday's storm but I think it will come back. you forgot to call the furniture man; now you are in the dog house. Don't forget to pick up your bag from the I SA or you will be doper in the doghouse.

Up early and shaved and got away in Furg at 7.50 and arrived at 2815 Sail at 9.40. Dem took us in his delus. Had to the Buffalo airport to meet Nancy who flew from Tampa. Had a very tasty lunch - Alex's special bacon on toast and chicken wings done in a delicious brown sauce. Res. Jaws in the afternoon during a shower then cultivated and weeded the garden. A huge dinner of barbecued beef, chand, potatoes, salad etc -

Hope they work!!

A very successful gathering of the family for our Christmas dinner of turkey and all that goes with it. Much joyous conversation. The house shook with the dancing of the girls. Peter had to go back to Delaunough leaving Joanna, baby and dog.

Very cold and clear for a change. Had Joanna over for lunch. The Bells left after lunch for Fay's at Mississauga. Dennis boxes his 4-wheel-drive jeep which he drove over snowy fields this morning.

Clean and cold. Nancy came in from her Aunt Tracy's at 2.00 A.M. but she was very quiet and we soon got to sleep again. Heavy doors both frozen shut; had to get the back door and crawl over.
